## TERMS OF PERMANENT OWNERSHIP

### **1. PERMANENT LICENSING**

Consumer applications (DIAL, CookFlow) are 'Buy Once, Own Forever' permanent licenses. No subscriptions are required for core utility.

### **2. NO HIDDEN GATES**

Permanent ownership includes access to all flagship features without secondary paywalls or feature-locking after acquisition.

### **3. MAINTENANCE COMMITMENT**

Flowstate Labs commits to providing security and compatibility updates for the current major version of the software for a minimum of 24 months.

### **4. INFRASTRUCTURE EXCEPTION**

B2B 'Engine' systems operate on an Infrastructure Subscription model to support ongoing architecture, uptime, and enterprise orchestration.
